OPEN BURNING PROHIBITION

In order to limit the risk of starting forest fires, effective beginning July 29, 2009 and until further notice, all open burning is prohibited within Nisga'a Lands.

This prohibition does not apply to areas regulated by village government burning bylaws.

Where village or regional bylaws are in place governing the use of open fire or smoke management, contact those authorities for more information before lighting up.

These restrictions are published under the authority of Section 57(3)(a)(i) of the Nisga'a Forest Act.

For updated online information, please refer to the Nisga'a Lisims Government website at www.nisgaalisims.ca, www.nnkn.ca or contact: Warren Fekete RPF, Forest Resources Manager at (250) 633-3000.
